Exercise two. The Past Simple forms.

♫2

Listen to the text.

Yesterday I slept badly. I woke up at about 6:30 as usual. I got up quickly and had a shower. Then I ate a ham sandwich and drank a cup of tea. I left home at 7:15 and came back at 6:00 in the afternoon. Then I had dinner and met my friends in the pub. I went to bed at midnight.
